EVANS EVOLVE

Evans Evolve disposable cartridge and bulk fill system, for liquid and foam soaps.

Evans Vanodine hand wash products are manufactured using cosmetic grade ingredients to ensure they have a thorough cleansing action yet are mild and gentle on the skin. The balanced pH ensures they are suitable for frequent use on hands, body and even for use as a hair shampoo. All products, including Handsan, contain added moisturiser to help keep the skin feeling soft, smooth and healthy.

Trigon™ Foam Foaming Hand Wash

- Generates a high quality hand cleansing foam
- Contains an anti-bactericidal ingredient
- Unperfumed, suitable where food is handled
- Product code A063BEV - 6x1lt

EVANS EVOLVE DISPENSER

A modern designed soap dispenser, to complement any decor. The smooth ergonomic design minimises dirt traps, makes it easy to keep clean and most importantly is strong and very durable.

There is a choice of easy, accurate and controllable dispensing systems. These include a refillable reservoir and a disposable cartridge with a unique connecting design which only allows an Evans cartridge to be used.

Effective hand washing

This is an important method of preventing the spread of infection and maintaining good health.

Hands should be washed:

- Before preparing or eating food
- After handling raw meat or fish
- Before & after treating a cut or wound
- After visiting the bathroom
- After blowing your nose, coughing or sneezing
- After handling rubbish
- After working in the garden

REFILL - Open dispenser, lift up the lid on the inner soap reservoir & fill with the soap of your choice. Close dispenser.

Refillable Dispensers

A bulk fill dispenser, which can be refilled with any of our 5lt liquid or foam soaps, as well as with our heavy duty gels and alcohol hand rub.

REPLACE - Open dispenser & dispose of old cartridge. Insert a new Evans cartridge with the label facing the back. Push down on cartridge to click into place & pierce the seal. Close dispenser.

Cartridge Dispensers

Our new cartridges are sealed to prevent contamination & designed to make re-loading your dispenser quick & easy. Available for liquid, foam mousse or alcohol hand rub.
